DETAILED ACTION

Allowable Subject Matter

Claims 1-6 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record all failed to show either alone and/or in combination a receptacle comprising boiled bamboo and Gramineae plant fibers as claimed;

Patentable weight has been afforded the "boiled limitation" as this limitation is critical to the utility of the receptacle as claimed by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

The newly cited references are only to illustrate the state of the art as a result of a final search of the prior art.
